MONTHLY GENEROUS & THOUGHTFUL FOODBANK DONATION

In the interests of the community and our spiritual practice, we provide this opportunity for us all to be easily, directly and regularly involved in significant social action. All we have to do is give generously and thoughtfully, merely taking time to mindfully follow the guidance above and to do our best to secure what's needed and in as much quantities as possible within our budgets. ASDA is extremely good for these purchases and they deliver if you don't have a store nearby.

MONTHLY POST-SERVICE BRUNCHTIME HOUR-LONG CONCERTS

Put on by Jason and Ricky at much effort, these are absolutely first-rate, showcasing leading emerging talent and are **designed to be part of our community offering and spiritual practice also**, hence their taking place hot on the heels of a Sunday service each month, lasting only one hour.

TRADITIONAL VEDANTA TEACHING

Be soft in your practice.

Think of the method like a gentle silvery stream,
rather than a powerful waterfall.

Follow the stream.

Trust in its course.

It will make its way,
meandering here, trickling there.

It will find the channels,
the breaks, the clefts.

You have only to follow it.

Keep it in the line of your vision.

Let it carry you.
